The year 2016 is an important milestone for International Journal of Medicine and Public Health [IJMEDPH] (www.ijmedph.org) as it is entering 5th year. It is known as one of the peer-reviewed medicine and Public Health journal and I am pleased to present you this issue being published by EManuscript (A Publishing division of Phcog.Net). The new issue content for volume 5 is available "<http://www.ijmedph.org>" and archives are also available in the same link. IJMEDPH is now built with the responsive website the site can be easily browsed on mobile devices, tablets, and desktop screens.

The screenshot shows the homepage of the International Journal of Medicine and Public Health. The header includes navigation links: Home, About Journal, Editorial Board, For Authors, and Contact. The main title is "International Journal of Medicine and Public Health" with the subtitle "An Official Publication of Phcog.Net". A prominent red box contains the text "Manuscript Submission for IJMEDPH" and "Submit article via www.journalonweb.com/ijmedph". Below the header, there are social media icons for Facebook, Twitter, and Google+, and a search icon. The main content area is titled "ARTICLES FROM THE LATEST ISSUE, INT J MED. PUBLIC HEALTH, VOL 6, ISSUE 1, JAN-MAR, 2016". It features a grid of article titles and dates, such as "Research on social determinants of health necessary for health equity in India" (May 20, 2016 - 10:18) and "Indian contribution to suicide research during 2005-2014: A scientometric assessment using publications and citation data" (May 20, 2016 - 10:22). There are also tabs for "LATEST", "POPULAR", and "ARCHIVE", and a "MOST POPULAR" section on the right.
